

# Conference Call Schedule 2020

---

The calls will normally be held on the third Thursday of the month at 3:00pm PST. Most calls will be recorded and available on the website afterwards. Some calls will make use of just the Conference Call function and others will include the GoToMeeting function. You should be alerted via email regarding which calls will use which functions. If the call uses the Webinar function you will need to log in to both the Conference Call and Webinar at the same time.
